Good afternoon, Judy:

Hope you are well. Just wanted to touch base with you quickly on Spartan Mosquito Eradicator.

We spoke a few weeks ago via phone regarding the status of 2020 renewal for the Eradicator. You advised that the product would be deemed expired in lieu of sending out a formal denial letter.

With that in mind, is there any further action that we at Spartan need to take with regard to the product in the state?

We understand that we will not be able to sell the product in Kansas in 2021, but are we required to pull the remaining product from the shelves now?

I do not recall us discussing this over the phone, so I just wanted to make sure we had clear instruction on what to do and were taking the necessary steps to follow KDA's guidelines with regard to this matter.

Any information would be greatly appreciated.

Thanks,
Katie
