Dear Joshua A. Mars:

Your application for registration of the following 25(b) products has been reviewed:
-Spartan Mosquito Eradicator

The studies you submitted do not adequately support the label claims and in accordance with Section 76-4-8 A of the New Mexico Pesticide Control Act, registration of this product in New Mexico has been denied.

If you wish to re-apply for registration of this product, you must address the following issues:

- Comparisons to industry products must also be included in the tests.
- Data must be from independently collected double-blind, replicated studies that have been peer reviewed. Testimonials, in-house studies, and similar material are not acceptable.
- Provide the purpose of sucrose and yeast in the product. The statement of formula submitted does not list the reason the ingredients are in the product.

Please refer to the 25(b) fact sheet (which is included) and make sure that any efficacy data you provide meets the requirements listed on the fact sheet. If you have any questions regarding registration of 25(b) products in New Mexico, please contact me at (575) 646-4697.

Sincerely,

A handwritten signature in blue ink that reads "Erica Millette".
